

Please note that from the 28.05.2020. citizens of followings countries can enter Croatia without any restrictions as before the occurance of COVID-19:

Czechia, Hungary, Austria, Estonia, Latvia, Lithuania, Poland, Slovenia, Germany, Slovakia

For citizens of other countries it is also possible to enter Croatia with proof of their travel reason i.e. **hotel reservation confirmation.**

All travelers are recommended to fill out the form available on following website before their arrival in order to reduce waiting time: <https://entercroatia.mup.hr/>

These required details are necessary in case of eventual need of contact regarding pandemic reasons. Therefore providing these details upfront reduces time necessary to cross the border.

Of course crossing the border is still possible without filling out the form in advance, but must be completed on the border crossing.
