Produktspezifische Bemerkungen

- Die Behandlungskosten einschließlich der Intensivpflege werden innerhalb der Garantielimits für Versicherte unter 65 Jahren gedeckt, die einen positiven Covid-19-Test und einen Krankenhausaufenthalt hatten.
- Unsere Garantie gilt in allen Pandemie-Krankenhäusern ungeachtet dessen, ob es sich um eine private oder staatliche Einrichtung handelt.
- Je längerer Garantieschutz gewünscht wird, erhöht sich der Versicherungsbeitrag proportional zu dieser Erhöhung.
- Die Garantiezeit beträgt jedoch je nach Reisedauer des Versicherten maximal 30 Tage.
- Vorbehaltlich, dass der Versicherungsschutz unserer Produkte innerhalb des Versicherungszeitraums gültig ist; In jedem Fall kann der Versicherungsschutz nicht älter sein, als das im Reisepass nachzuweisende Einreisedatum innerhalb unserer Landesgrenzen und endet mit dem im Reisepass nachweisbaren Ausreisedatum aus den Landesgrenzen der Türkei, auch dann, wenn die Gültigkeit der Versicherung in der Police für einen späteren Datum vorgesehen ist..

SPECIAL CONDITIONS OF TOURIST PROTECTION AND SUPPORT INSURANCE AGAINST COVID-19

A. SUBJECT AND SCOPE OF THE INSURANCE

This insurance contract undertakes to cover the costs included in the scope of COVID-19 Tourist Protection and Support Insurance within the framework of this "Special Conditions" and Health Insurance General Terms if individuals who travel to Turkish Republic for travel purposes but hospitalized because of accurate diagnosis of Covid-19, within the payment limit and rates and the scope specified in the applications stipulated in the policy and the attachments.

COVID-19 Tourist Protection and Support Insurance Health policies are only valid for individuals between 0-65 ages.

Information specified on the policy are essential. Insurance coverage is only valid for individuals specified in the policy and those who are not included shall not benefit from the insurance.

B. DEFINITIONS

Words, definitions, expressions and abbreviations used in this Insurance Contract have the meanings written for them. (Following definitions are the general definitions; and the policy scope is limited to the coverage specified in the policy.)

Policy:
The documentations signed by the insurer and delivered to the insured/insurant and showing the rights and debts incurred by the insurance contract between the insured and insurer.

Pandemic Hospital:
As specified by the T.R Ministry of Health in the letter no. 14500235-403.99, hospitals which have minimum 2 of the infection diseases and clinic microbiology, chest diseases and internal diseases departments and have 3rd level of adult intensive care beds are considered as Pandemic Hospital.

Pandemic Hospital: Defined as the hospital where the cases diagnosed with Covid-19 (positive test result) are treated.

Health Institution:
Pandemic organizations located in the Republic of Turkey which have been licensed by the competent authorities of the country concerned and regularly controlled by the private sector or provide outpatient/inpatient services.

General Terms of Insurance Contract:
The general terms of Health Insurance specified by the T.R Prime Ministry Undersecretariat for Health...

Keep on meeting the beauties of our country, and make new discoveries; don't worry about Covid-19, enjoy a safe vacation.

Frequently Asked Questions

1-What is the Context and Coverage of the Product?
It is an insurance policy which pays for the treatment expenses of the people, who are hospitalized after a definitive diagnosis of Covid-19, throughout the duration of hospitalization. If the person is hospitalized in one of our contracted organizations, the payment is made through the Gunes Sigorta Provision system. Payment is made in person in non-contracted organizations.

Coverages, provided under your policy, determine the scope of coverage. We recommend you to review your policy to be fully familiar with the service advantages provided under your insurance policy.

2-How Long is the Policy Period?
It is up to maximum 30 days, depending on the travel time of the insured.

3-Is there a day limit for hospitalization under the policy?
In the event that the insured is in intensive care before the policy expiry date, the treatment continues for 10 days, even if the policy expires.

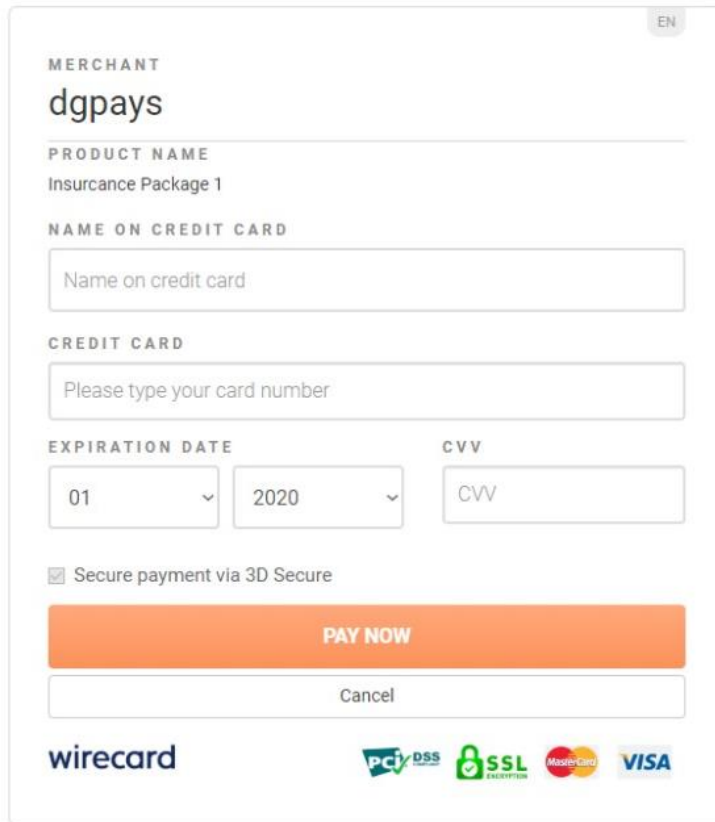

4-Is there a waiting period?
There is no waiting period in Covid-19 Tourist Protection and Support Insurance.

5-Is there an age limit for this product?
Everyone between the ages of 0-65 can benefit from Covid-19 Tourist Protection and Support Insurance.

6-What is the coverage of the Insurance of Covid-19 Private Health Insurance Coverage Expenses?
All health expenses that may occur in any of the pandemic hospitals, whether private hospital or public...
